Measuring Instructions:

Customer should wear minimal clothing (i.e. T-Shirt, jeans) at the time of measuring. All measurements must be taken with a soft tape measure pulled snug but not tight. Have the customer stand straight, feet flat on the floor (no shoes). Measurements H & I can be taken with a ruler or straight edge held at the customer's highest crotch point, parallel to the floor.

Record all measurements in inches.

- A. _____ **Chest at nipple line** (Circumference with arms at side).
- B. _____ **Waist** (Measurement to be taken at navel).
- C. _____ **Hips** (Largest circumference).
- D. _____ **Thigh** (Largest circumference at crotch level).
- E. _____ **Knee** (Place measuring tape just above the kneecap).
- F. _____ **Calf** (Largest circumference).
- G. _____ **Ankle** (Above the inside ankle bone).
- H. _____ **Top of should to crotch** (Shoulder over the front of body, making sure the straight edge is parallel to the floor).
- I. _____ **Crotch to floor** (Straight edge held at highest crotch point).
- J. _____ **Armpit to floor** (Floor to top of wader under arm).
- K. _____ **Shoe size**
- L. _____ **Height** (Full body length measurement without shoes).
